Re: Tiger Day Camp (Monday Childcare/Social Services)

With the advent of the Four Day School Calendar for the 2024-25 school year (See [link](#) for WN R-IX 2024-25 Board of Education Approved Calendar), we have determined there is a need for an optional childcare program on the non-holiday Monday's school is not in session. WN R-IX has partnered with the CCC (Christian Community Center) to provide childcare and social services on non-holiday Mondays school is not in session for the 2024-25 school year. The Tiger Day Camp program will be housed at the CCC at the dates listed below. Over the past few weeks the district was able to secure grant funding for the Tiger Day Camp from the Lafayette County Children's Services Fund. This grant will allow us to provide the service **FREE OF CHARGE** to WN R-IX students ages 3-12 for the 2024-25 school year.

The proposed Childcare window will run from 7:30 AM-3:30 PM on the following dates:

- September 16, 23, 30
- October 7, 14, 21, 28
- November 4, 11, 18
- December 2, 9, 16
- January 6, 13, 27
- February 3, 10, 24
- March 3, 10, 17, 31
- April 7, 14, 28
- May 5, 12, 19

Childcare will NOT be offered on Holiday Breaks as determined by the WN R-IX School Calendar. Tiger Day Camp will include structured time in the following areas: Physical Activity, Enrichment (Craft/Project time), Supplemental Academic Work, Exploratory field trips, Meals and Snacks.

The district will put out a survey in early August to gather information on students/families interested in the Tiger Day Camp for the 2024-25 school year. Thank you and enjoy the rest of your summer!

Sincerely,

Brad Briscoe Ed. D.
